Mission 1 What Is Veterans Day?

Read the story. Then answer the questions.

1 A veteran is a person who served our country. 2 Veterans worked in the military to keep us safe. 3 Some were in the Army or the Navy. 4 Some were in the Air Force or the Marines.

5 Veterans Day is on November 11. 6 It comes every year in the fall. 7 On this day, we say thank you. 8 We thank veterans for being brave and kind.

9 Many towns have a big parade. 10 People march and play loud drums. 11 You may see flags wave in the wind. 12 Our flag is red, white, and blue. 13 Some people wear a small red poppy. 14 A poppy is a flower that helps us remember.

15 You can help on Veterans Day, too! 16 You can make a card for a veteran. 17 You can wave a flag and say thanks. 18 A big thank you makes a veteran smile.
